Project Full Documentation & System Architecture

1. Authentication & Registration Flows

A. Professional Users (Gyms & Coaches) - "The Gatekeeper"

This flow ensures quality and verified profiles on the platform.

1. **Request Access:** User fills a "Request to Join" form (Gym or Coach type).
2. **Admin Review:** Admin reviews the submitted data (Certificates, facility photos, etc.).
3. **Invite Code:** Upon approval, the Admin generates a unique code and sends it to the user's Gmail.
4. **Final Registration:** The user goes to the "Join" page, enters the code, sets a password, and activates their profile.

B. Regular Users (Clients) - "The Standard Flow"

1. **Sign Up:** Standard registration (Name, Email/Phone).
2. **Verification (OTP):** User receives a One-Time Password via Email/SMS to verify the account.
3. **Instant Access:** User is logged in to browse gyms and coaches.

4. Dynamic Web Views

A. Client View:

- **Features:** Browse the marketplace. Use the **Internal Chat** to talk to coaches for online coaching.

B. Coach View:

- **Features:** Edit Profile directly from the web. Access **Coach Plans**. Manage job applications.

C. Gym View:

- **Features:** Manage Facility profile. Access **Gym Plans**. Post jobs and view applicant CVs.

5. Protection & Retention Logic

1. **Hidden Data:** Contact details are "Blurred" and only revealed to active subscribers.
2. **Internal Chat:** Keeps users on the platform while they decide to upgrade for direct contact.
3. **Ranking System:** Paying users (Elite/Enterprise) stay at the top. Expired plans drop to the bottom.

6. Main Navigation Structure

1. **Gyms Directory**
2. **Coaches Directory**
3. **Jobs Board**
4. **Plans Page** (Content varies: Gym plans vs. Coach plans)
5. **My Profile** (Integrated "Edit Mode" for data management)
